NEW MANAGEMENT HITS ST DAY

As a club we are pleased to announce that for the 2012-2013 season Andy Trathen is joining the 1st Team Management. Along with last years Management Team of Matt Harris and Mark Conniff, Andy will be St Day 1st Team Joint Manager. Andy brings with him a brilliant history, a wealth of footballing talent and great local knowledge of the game. We hope to report great things next season from Andy and Matt as we look to push further up the Combination League.

The Reserves, sees the welcome return of Alan Williams (Willy) to the helm, after stepping down last August for personal reasons. Willy has agreed to take on the second team as Joint Manager along with John Swan, and together they aim to build on the success of last season.

We are very pleased to be able to confirm that Kieran Leah has agreed to Manage the 3rd Team assisted by Gary Trevena, both local boys who have been connected with the club for many years and we wish them well.

At the St Day AFC AGM the existing Committee under the Chairmanship of Tony Evans were re-elected and will stand again this year.

SHARON WOOD TOURNAMENT

On Sunday 15th July, St Day youth attended the Sharon Wood 7 a-side tournament at Wendron FC. 90+ teams were there on the day ranging from Under 7—Under 13's. Seeming that in July the youth section had only been formed 12 months, it really was a massive achievement for us to enter 4 teams, under 7s, 8s, 10s and 12s. All 4teams picked up the Fair Play Award for being positive when playing, smiling all day, smart turnout, politeness and shaking opponents' hands etc. Very well done all teams, we are proud of you all.

The Youth Teams are entering into the Kernow League this season, Under 8s, Under 10s and Under 12s. There is a Community Group run for children between 3 and 6 years held on Saturday mornings, come along to Vogue Park or contact Mark Leah on 07875 596798.

The club also ran a 2 day SUMMER HOLIDAY CLUB run in partnership with Cornwall FA on Monday 20th and Tuesday 21st August from 10 a.m. and 3.30 p.m. 37 youngsters turnout for 2 days of great fun run by Frasier Cadman & Charlie Davies, too whom the club our very thankful for their time and great words they had to say about our club. Six of the youngsters were not currently involved with any club and have come from local primary schools. The idea of the 2 days is to offer football to youngsters and give them the opportunity to play football in a club environment, such as our own. We hope to see the 6 youngsters involved with the club very soon.

SAINTS HIT THE STANDARD

ST DAY AFC HAVE BEEN AWARD THE CHARTERED STANDARD CLUB AWARDED.

The Charter Standard Scheme is best practice guide that sets standards of coaching, administration and child protection for all clubs outside the Football League and Premier League. As a benchmark for quality, it will improve the playing experience for all. The FA, in conjunction with various bodies, has drawn up the following set of criteria for clubs wishing to reach Charter Standard: A written constitution, FA CRB checked volunteers, All managers to have minimum of FA Level 1 Coaching Course, Commitment to attend in-service training, Acceptance and promotion of Codes of Conduct, Commitment to provide Mini-Soccer opportunities for Under 10s, Commitment to promote schools liaison and equal opportunities for all.

There are four levels to the chartered standard award, adult, club, developing and community. The award that we have been recognized for is because of the adult and youth set up on show here at St Day. The overall aim is to acquire community chartered standard, which is awarded to clubs with 10 teams at all levels including a disability team.

This opens many doors for the whole club to new grants and really shows the standard of St Day FC as a whole. We are very proud of our award.

CHANGE OF THE LAW...

You may not be aware of a change to Law 4 - Players Equipment.

As of this season 2012/13 the following change is in place for a players Stockings (Socks):

"if tape or similar material is applied externally it must be the same colour as that part of the stocking it is applied to"

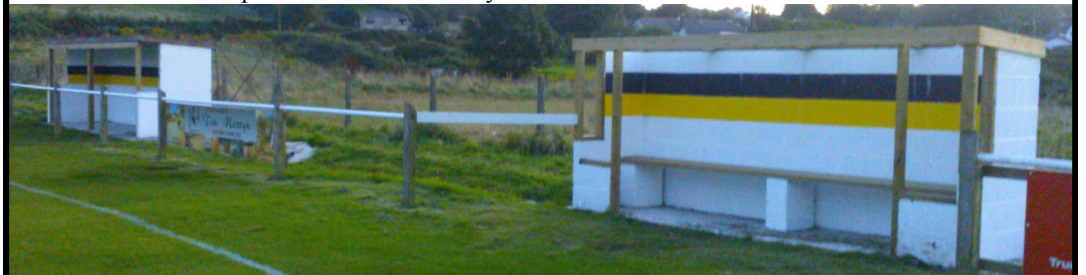

In summary - you will have to use the same colour tape as your stockings (socks)!!!!!!

SHELDON MITCHELL...

The annual 5 a side tournament in memory of Sheldon Mitchell was held on Sunday 5th August and once again was a huge success and a massive well done must go to Adrian Walters for his great organisation as always. This year saw a slight twist having 5 ladies teams being entered, with the winners being Falmouth A. The men's section had 17 teams, and the winners were Padstow A. The whole day was brilliant with lots of good comments being received from the visiting teams so well done to everyone who made the day what it was — Bar staff, Referees, Groundstaff, catering staff and most importantly the teams. Thank you.

THEY DUGIN & BUILT THE DUGOUTS.....

Thanks to Matt Harris, Ryan Gendall & Dave Searle for their great efforts over the summer in building the new dugouts and the stand, which look brilliant and is another step in making the club look even more professional. So thank you to them all for their time and effort.

WILLY'S WORDS....

We've had a very good pre season and I'm just slightly disappointed not to have 2 wins out of 2 in the commencement of the league. However we have lost a couple of players from last season but I believe the squad is younger & stronger than previously. I hope that we will finish in the top 3, which would be a great achievement in a very strong league this year.

I hope that you will agree, although we seem to say it all the time the pitch is looking the best ever and I'm so pleased that we, the 2nd team are the 1st game on it.

Well done to Mark Leah, Dave Searle, Adrian Walters, Dave Coventry, Peter Grenfell & John Swann for all their hard work in the last 3 months, the club is so proud to have you. Thank you.

BEST WISHES, ALAN
